ES

Åke Törnqvist, artista y escultor sueco, imprime en su obra la admiración por la vida, inspirándose en el comienzo de la forma, así como en su evolución. Los temas recurrentes en su obra artística son el huevo, las mariposas, las aves, los caballos y las mujeres, que representan respectivamente el futuro, la libertad, el poder y la vida.

Sus creaciones se forjan en la música clásica y se alimentan del “tempo”, del ritmo y del temperamento de las obras que escucha. El arte de Törnqvist ha sido muy apreciado en su Suecia natal, así como en otros países, incluidos Italia, Dinamarca, Alemania y ahora España.

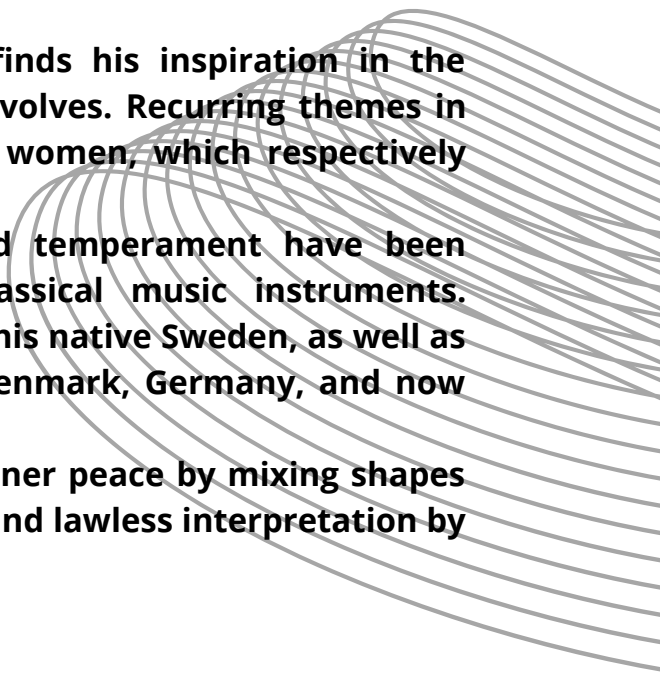

En su exposición Nordic Vision sobresale la búsqueda de la paz interior que se intuye en formas y colores mezclados sin seguir un esquema fijo, y que se abren a la libre interpretación por parte del público en el momento en que, acompañado por las visiones del artista, apercibe el destello de su propia paz.

EN

Åke Törnqvist, Swedish artist and sculptor, finds his inspiration in the admiration of life and the way it begins and evolves. Recurring themes in his artistic pieces are eggs, birds, horses and women, which respectively represent future, power and life.

His works, all fueled by tempo, rhythm and temperament have been harmoniously created while listening to classical music instruments. Törnqvist's art has been greatly appreciated in his native Sweden, as well as in many different countries, including Italy, Denmark, Germany, and now Spain.

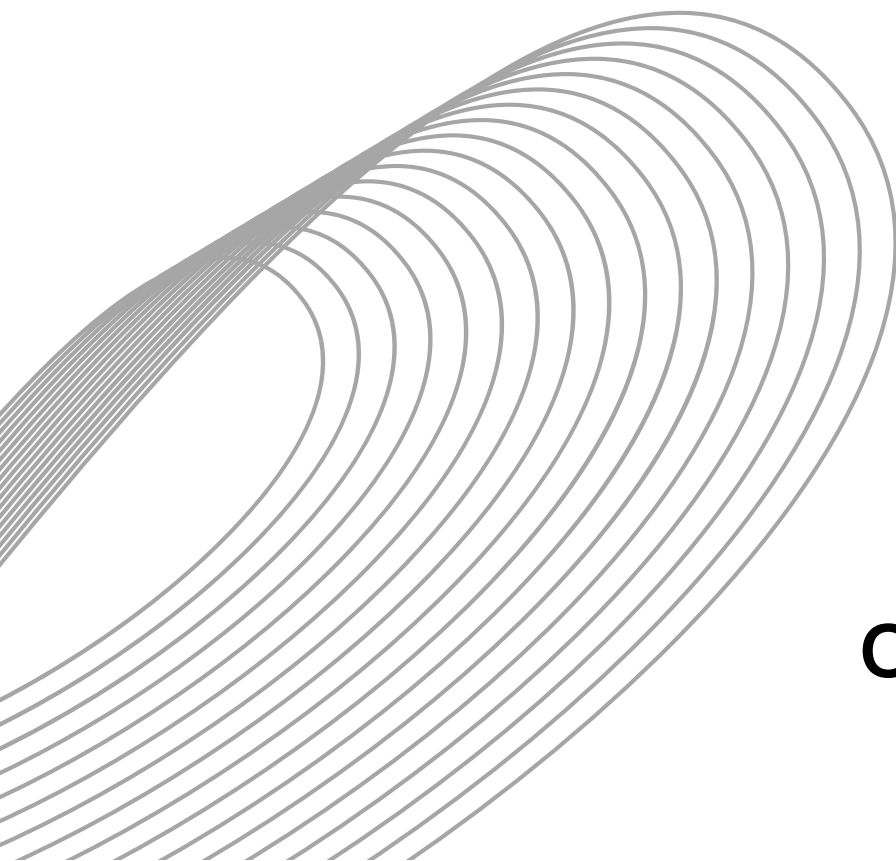

His Nordic Vision exhibition aims at eliciting inner peace by mixing shapes and colors in a non-fixed scheme, open to free and lawless interpretation by the viewer.
